SUBJECT: Limestone Quarry Permit/Millard County
(SAI #800313020)

Dear Mr. Smith:

The Utah State Environmental Coordinating Committee has reviewed the State Action N.O.I. on the proposed Limestone Quarry permit, 32 miles south of Delta in Millard County. The Committee has identified no discrepancy with existing State plans and objectives.

On the basis of the information provided the E.C.C. has determined that no Environmental Assessment shall be requested at this time.

The only agency wishing to comment at this time is the Division of State History; these are enclosed for your information.

Thank you for the opportunity to review and comment on this project.

Sincerely,

Lee M. Allen
